PRINCESS 70

OVERVIEW

With a spacious flybridge spanning 26.58m2, this vessel boasts a commodious U-shaped dining space, complemented by a fully equipped open bar. Guests can bask in the sun on the aft sun pad or enjoy the panoramic views from the forward seating area near the helm.

The main deck's social-friendly design features a galley that seamlessly connects to the cockpit, while the walkthrough foredeck offers additional lounging and seating areas.

The Princess F70 is designed to comfortably host up to 12 guests, making her an exquisite choice for family outings or group excursions.
